

THE CBR COURSE STUDY QUESTIONS APRIL 2025

Study and discuss these questions with your Personal Encouragers to confirm, as the Bereans did in Acts 17:11, that the truths taught in the CBR course are biblical. This study also urges you to search the Scriptures for deeper truths and insights, thereby developing a profound understanding of the course lessons. Once you have confirmed the truth for yourself, you should then proceed to build godly convictions upon it without fear. These convictions will provide a solid foundation for your life of consistent Bible reading over the years. When application of the truth is based on convictions rather than mere excitement, it fosters perseverance and consistency. To ensure a fruitful study, please follow these guidelines:

1. Take some time to study these questions independently.
2. Compare the provided Scriptures with others you are familiar with.
3. Jot down concise answers in your notebook.
4. Derive personal applications from this study.
5. Discuss these questions thoroughly with your PEs.
6. Share your applications with one another.
